

Data Storytelling

Dr. Patrick Chester

Spring 2026

Week 09

Announcements

- Next week: project proposal is due at 11:59 PM!
 - If you don't have a group, I plan to have some time at the end of class to work together
- Homework 2 will be assigned on Week 11, due in two weeks (Week 13)
- Grades for Homework 1 should be done by next class

Homework 1 Review

Review it together

Data Visualization II

Let's get to the code!

Today's class will largely be focused on reviewing how to make advanced visualizations and tables. You can find the relevant code in our GitHub repository: [code/Data Visualization II.qmd](#)

Good Examples of Data Visualization

Leading Publications with Great Visualization Styles
